

Small In Size... Big In Versatility!

FORCE

Model 5978A

Model 5979A

Our Pencil Air Die Grinders are ergonomically engineered to remain small in size and provide the operator with pure comfort. They feature a built-in variable speed twist throttle that allows superior speed control in all applications. The convenient 60-inch hose with protector gives the desired accessibility and reach. With free speed up to 70,000 rpm these small but versatile tools will easily handle any job.
